SUMMARY

Recent B.Tech graduate in Electronics & Communication Engineering with a strong focus on Java backend and full-stack web development. Experienced in designing secure REST APIs, authentication systems, and scalable web applications using Spring Boot, React, PostgreSQL and Redis.

SKILLS

- Languages:** Java, JavaScript, TypeScript, Python
- Backend:** Spring Boot, Spring Data JPA, Spring Security, REST APIs
- Frontend:** React, Tailwind CSS, HTML, CSS
- Database:** PostgreSQL, MongoDB, Redis
- Tools:** Git, Maven, Docker
- CS Fundamentals:** Data Structures & Algorithms, OOP, Computer Networks

PROJECTS

Secure Task Management Platform | Full Stack

Links: [Live Demo](#) | [Frontend Repo](#) | [Backend Repo](#)

Tech Stack: Spring Boot, Spring Data JPA, Spring Security, JWT, PostgreSQL, React

- Built a full-stack task manager with JWT auth (access + refresh tokens), CRUD, pagination, filtering, and full-text search — all user-scoped via Spring Security.
- Designed a layered Spring Boot REST API backed by PostgreSQL with UUID keys, integrated end-to-end with a responsive React frontend.
- Architected API abstraction on the frontend, enabling seamless authenticated workflows without coupling UI logic to backend contracts.

AI-Enhanced Weather Dashboard | Full Stack

Links: [Live Demo](#) | [Frontend Repo](#) | [Backend Repo](#)

Tech Stack: React, Tailwind CSS, OpenWeather REST API, Spring Boot, Redis, Gemini API

- Built a weather dashboard with real-time conditions and 5-day forecasts (OpenWeather API), featuring debounced city search and dynamic UI updates.
- Developed a Spring Boot proxy that feeds live forecast data to Google's Gemini API, surfacing contextual AI weather insights to users.
- Cut redundant Gemini API calls via Redis caching (6-hour TTL), improving backend response latency and keeping costs predictable at scale.

EDUCATION

Academy of Technology, Hooghly B.Tech in Electronics and Communication Engineering — 7.03 CGPA	2022 – 2026
Kalyani Public School, Barasat Senior Secondary (XII), CBSE Board — 92.2% Aggregate	2020 – 2021
Central Model School, Barrackpore Secondary (X), CBSE Board — 93.6% Aggregate	2018 – 2019
